A Note from the Office

Pastor Allen allowed me to have this space to reflect on the precious time that I've had getting to know each one of you! Thinking back to my first interview for the pianist position. I was so happy to be hired and have the privilege of playing such a beautiful piano! I enjoy playing hymns and all the old songs. I started coming early so that I could play for the Fellowship Sunday School Class. Some of my happiest times were in that room. I can't think of a Sunday that we weren't laughing and just truly enjoying singing the songs in the little brown hymnals.

As time went on, I noticed that the cleaning position was open so I asked to apply for that. I enjoy cleaning churches. It is good exercise :-). Lastly, when Lizzie left, I was hired for the Administrative Assistant. I don't feel like I can express my gratitude enough to this church family. You let my children come to work with me, treated us like family, and I pray that God will bless you for your kindness and love that you all have so graciously and abundantly given to us. My children enjoyed being here, especially my youngest, because he was able to learn how to fix the elevator, a/c unit, and to help whoever came to set up tables and chairs and work around the church.

I know this life is filled with uncertainties, but I pray for each of you to cling more closely to God. There's nothing that He is not ready for. So whatever changes come in our life, He has a purpose and a plan. As the apostle Paul moved around a lot, he would write letters to the churches that needed his counsel or just to let them know his thoughts were still with them. One of my favorites is his letters to Timothy. They are full of good advice even for us today. I want to end this with 2 Timothy 1: 2-7. But I'm going to personalize it, and this is truly how I feel: To Harrison FUMC, my dearly beloved family: Grace, mercy, and peace, from God the Father and Christ Jesus our Lord. I thank God that without ceasing I have remembrance of thee in my prayers night and day; greatly desiring to see each of you, being mindful of our tears (on the day of parting), that I may be filled with joy; when I call to remembrance the faith that is thee... For God has not given us the spirit of fear; but of power, and of love, and of a sound mind.

Jesus is coming soon! Make every day count for Him and His kingdom! I pray we all will take serious the times we are living in and make ready our hearts, strengthen our relationship with Him. Don't let the cares of this life get you distracted from the spiritual things that really matter!

With much love and in His care, Sarah Kaffenberger
